Python • Rails • SQL

DESIGN

Sketch • Figma • Photoshop

LANGUAGES

English • Hindi • Chinese (Mandarin)

ORGS

ACM | Member

September 2016

Active member at ACM at UIUC and involved with organizing multiple events including HackIllinois, Reflections Projections and MechMania

EXPERIENCE

FACEBOOK | Front End Engineering Intern

Summer 2017 | Menlo Park, California

I developed and launched a new interface for finding profile picture frames before moving to the GraphQL team to help improve the Relay build speed.

ALLSTATE | Application Developer Intern

Summer 2016 | Northbrook, Illinois

I designed and developed a data analytics tool on insurance proposal data for use within Allstate.

CS 196 | Executive Lead and Project Manager

Fall and Spring 2016 | Champaign, Illinois

I helped run a freshmen honors class at UIUC where I got to teach students web skills and PM a team of students working on a semester-long project.

BYTEBROS | Co Founder

Spring 2016 | Champaign, Illinois

I co-founded a freelance software firm with some friends at my university.

OPEN SOURCE

I love contributing to Open Source projects and I dedicate 5 hrs/week and a section on my resume to it. Here are some of the ones I'm currently involved with, but please check out my github for a more up to date list @pranaygp

PRANAYGP/VSCODE-CSS-PEEK

http://github.com/sarcadass/granim.js

A vscode extension for peeking at CSS definitions from a class or id tag in HTML. (Currently with over 25,000 installs!)

FACEBOOK/REACT

http://github.com/facebook/react

A declarative, efficient, and flexible JavaScript library for building user interfaces.

PRANAYGP/ZEIT-DEPLOYMENTS

http://github.com/sarcadass/granim.js

A little React (next.js) app that displays all your ZEIT now deployments easily.

FACEBOOK/RELAY

http://github.com/facebook/react

Relay is a JavaScript framework for building data-driven React applications.

SARCADASS/GRANIM.JS

http://github.com/sarcadass/granim.js

Create fluid and interactive gradients animations with this small (< 10 kB) js library.
