ACM | EXECUTIVE MEMBER
September 2015
Active member at ACM at UIUC and involved with organizing multiple events including HackIllinois, Reflections Projections and MechMania

COURSEWORK

Web Programming • UI Design • Text Mining • Graphics • Systems Programming

SKILLS

PROGRAMMING
Comfortable:
JavaScript • React • Node • Java • PHP • C++
Familiar:
Python • Rails • SQL

DESIGN
Sketch • Figma • Photoshop

LANGUAGES
English • Hindi • Chinese (Mandarin)

EXPERIENCE

FACEBOOK | FRONT END ENGINEERING INTERN
Summer 2017 | Menlo Park, California
I developed and launched a new interface for finding profile picture frames before moving to the GraphQL team to help improve the Relay build speed.

ALLSTATE | APPLICATION DEVELOPER INTERN
Summer 2016 | Northbrook, Illinois
I designed and developed a data analytics tool on insurance proposal data for use within Allstate.

CS 196 | EXECUTIVE LEAD AND PROJECT MANAGER
Fall and Spring 2016 | Champaign, Illinois
I helped run a freshmen honors class at UIUC where I got to teach students web skills and PM a team of students working on a semester-long project.

BYTEBROS | CO FOUNDER
Spring 2016 | Champaign, Illinois
I co-founded a freelance software firm with some friends at my university. We worked on projects from students and local business owners in Champaign.

OPEN SOURCE

I love contributing to Open Source projects and I dedicate 5 hrs/week and a section on my resume to it. Here are some of the ones I'm currently involved with, but please check out my Github for a more up to date list: **pranaygp**

PRANAYGP/VSCODE-CSS-PEEK
http://github.com/sarcadass/granim.js
A Visual Studio Code extension for peeking at CSS definitions from a class or id tag in HTML. (Currently with over 40,000 installs!)

FACEBOOK/REACT
http://github.com/facebook/react
A declarative, efficient, and flexible JavaScript library for building user interfaces.

PRANAYGP/ZEIT-DEPLOYMENTS
http://github.com/sarcadass/granim.js
A little React (next.js) app that displays all your ZEIT now deployments easily.

FACEBOOK/RELAY
http://github.com/facebook/react
Relay is a JavaScript framework for building data-driven React applications.

SARCADASS/GRANIM.JS
http://github.com/sarcadass/granim.js
Create fluid and interactive gradients animations with this small (< 10 kB) js library.
